MORRISTOWN — The Junior League of Morristown opened the doors of its nonprofit resale boutique, The Nearly New Shop, for a 50th anniversary celebration Saturday.

Customers, friends and family members were treated to homemade cakes, treats and special promotions as a special thank you to its patrons and the community.

In operation since 1960 and located in the heart of Morristown, behind the Community Theater at 7 King Place, The Nearly New Shop's proceeds help support the programs and services provided by the Junior League of Morristown. Over the years, funds generated by the store have helped sponsor Kids in the Kitchen events, where kids learn to make healthy meals, life skills training for teen girls at Day Top, self-esteem workshops for children at Jersey Battered Women's Services and caregiver support events at Family Services of Morris County.

In operation since 1961, the Nearly New Shop is owned and operated by The Junior League of Morristown, a nonprofit organization that serves women and children in Morris County and surrounding areas. All profits from the Nearly New Shop help to financially support programs, projects and services supported by the Junior League of Morristown.

The Nearly New Shop is open from 10 a.m. to 4 p.m. Monday through Saturday. Consignment is available by appointment and donations accepted during business hours. For more information, call the shop at 973-539-4274.
