## **THE JUNIOR LEAGUE OF MORRISTOWN, INC. ANNOUNCES A GRANT FROM THE PROVIDENT BANK FOUNDATION IN THE AMOUNT OF \$9,000.00**

The Junior League of Morristown, Inc. is proud to announce a grant from The Provident Bank Foundation in the amount of \$9,000.00. Provident Bank selected The Junior League of Morristown, Inc. as the recipient of its latest grant given the Junior League of Morristown's commitment to serving the greater Morris and Somerset Counties through charitable donations and voluntarism. According to Megan Schubiger, JLM president, "The grant will be critical to support the continued operation of the Junior League's Nearly New shop, a consignment shop that provides quality clothing and house wares at deeply discounted prices. In addition to directly serving the community, incremental funds are raised from merchandise sales, which enable the Junior League to initiate and participate in diverse community projects as well as expand existing services". The Nearly New Shop will help fund this year's signature project, "Adopt-a-Grandparent Program", which offers 'one-on-one' companionship to local homebound elderly who would thrive on personal connection and attention.

The Junior League of Morristown, Inc. is an organization of women committed to improving the greater Morris and Somerset Counties through effective voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. The Junior League of Morristown, Inc. reaches out to women of all races, religions and national origins who demonstrate an interest in and commitment to voluntarism.

The Provident Bank Foundation was established by New Jersey's oldest bank in 2003 to enhance the quality of life in New Jersey through support of not-for-profit groups, institutions, schools and other organizations that provide services in communities served by The Provident Bank. Since its founding, the Foundation has provided over \$10 million in grants for programs focusing on education, health, wellness, recreation, the arts and social and civic services.
